

To Whom It May Concern,

My name is Chris Endres and I am the Head Coach of the Boys Golf Team at Boulder Creek HS in Anthem, Arizona. I am also a Class A PGA Member and Player Development Professional at Anthem G&CC. I have known Daniel Thomas since he arrived in Anthem shortly before the start of the 2022 high school golf season. It quickly became obvious that Daniel was an extremely talented young golfer as well as a fine young man. Daniel became a mainstay in the starting lineup his freshman year and has only solidified his position as the leader of the team ever since. He was co-MVP in 2023 and unanimous MVP this past 2024 season. Daniel also competes regularly outside the high school season against the top players in the state, continually gaining valuable experience that will prepare him to immediately contribute to any university team fortunate enough to have him on their roster.

As an instructor, I am extremely impressed with Daniel's swing fundamentals and practice habits. His swing is very simple and repeatable, which makes him a solid ball striker able to handle all types of weather conditions. He has well above average length and a deft touch around the greens. He will only get better in both areas as he matures. The simplicity of his swing makes him resistant to the ups and downs many players his age experience, his scoring consistency is undoubtedly one of his biggest assets.

Daniel has also grown into a leadership role in his three years at Boulder Creek. He is liked and respected by his teammates and is a solid student that has had zero eligibility issues in his time at BC. I can't imagine he would have any academic issues at the next level.

Please feel free to contact me anytime to discuss Daniel's time at Boulder Creek or if you have any questions regarding this letter. Thank you.

Sincerely,
Chris Endres
